

# The Knack, Rocket O' Love

All right.  
Baby.  
One shot. Ecstasy,  
Funk has fever gotta hold on me,  
Big Bang! Vacancy.  
Shake down grove on in the machine

Chorus:  
I'm a rocket of love - Take me.  
I'm a rocket of love - Take me. Ride.  
I'm a rocket of love - Take me.

Oh yeah! Now listen:  
So fine, shake it down,  
Bring your thing down on the town  
Shotgun, shine your name:  
1! 2! 1! 2! 3! HEY!

Chorus:  
I'm a rocket of love - Take me.  
I'm a rocket of love - Take me. Ride.  
I'm a rocket of love - Take me.

But, I'm a driver,  
And I'm a raver,  
Well I'm a flamer,  
Yes I'm saver  
Oh-uh and I'm a diver, YEAH!  
'Cause I'm a craver,

Oh Baby, baby look at me I'm on fire!

{ }

Chorus:  
I'm a rocket of love - Take me.  
I'm a rocket of love - Take me. Ride.  
I'm a rocket of love - Take me.

Ride on the Rocket of Love!
