

The Knocks, Supersize (ft. Peacemode)

We've come we've come such a long way, since Bakersfield
We've come we've come such a long way, since the Holiday Inn with the dirty mirror
You know what they say about you and I, You and I
They say we're too young, They say we're too flash, They say we're too fly
You know what they say about you and I, You and I
They say we're too drunk, They say we're too brash, But I can't lie

I, I'm way too supersized
To keep it on the sly
Too weird to live, too rare to die
I just wanna go supersized
I just wanna go supersized

We've come we've come such a long way since Fresno
We've found we've found such a new page, since the Motel 6 with the creepy lil' letter
You know what they say about you and I, You and I
They say we're too young, They say we're too flash, They say we're too fly
You know what they say about you and I, You and I
They say we're too drunk, They say we're too brash, But I can't lie

I, I'm way too supersized
To keep it on the sly
Too weird to live, too rare to die
I just wanna go supersized

I just want to live a little
Live a little
Live a little
Live a little

I, I'm way too supersized
To keep it on the sly
Too weird to live, too rare to die
I just wanna go supersized
I just wanna go
