

# The Kooks, Nothing Ever Changes

I'd like to meet the girl I'm gonna marry  
I'd like to meet the girl I'm going to see  
Nothing ever changes in me  
But you ain't got nothin, nothin on me  
The way everybody loves me I wish you could see  
Nothing ever change, see me  
But I've got to be free  
But I've got to be free  
Oh I've got to be free

Like I said a long time ago things they come and things they go  
Nothing  
You make me hungry then you make me see  
Oh how happy my life can be but  
Oh nothing ever change in me

I've got to be free  
I've got to be free  
I've got to be free

Oh I've got to be free  
Oh I've got to be free-hee  
Oh I've got to be free-he  
Oh I've got to be free
