

# The Kooks, Shine On

Safety pins holding up the things  
That make you mine  
About your hair you needn't care  
You look beautiful all the time

Shine shine shine on  
Yes  
Oh won't you shine shine on

Your magazines  
People at the seams  
But you still read  
I must admit  
I don't believe in it  
But i see how you get sucked in

Shine shine shine on  
Yes  
Oh won't you shine shine on  
Shalalala

Shine shine shine on  
Yes  
Oh won't you shine shine on

Because you're not done  
Why do you bite the hand that feeds you  
Why do you?  
Why do you bite the hand that feeds

Shine shine shine on  
Yes  
Oh won't you shine shine on  
Shalalala

Shine shine shine on  
Yes  
Oh won't you shine shine on

Safety pins holding up the things  
That make you mine  
About your hair you needn't care  
You look beautiful all of the time
