

The Kooks, Stole Away

I miss you, those words, when I don't know what I'm saying,
Say it, say it loud,
I want you, to see things my way, baby oh it's not the choice, is there,
You do wait for me,
Then you came in,
Then you stole away, aw-a-a-a-ay,
You stole away, aw-a-a-a-ay,
So kiss me, come forth and see me ba-ba-ba-ba-ba-by don't you think,
That you should be mine,
Come forth, multiply with me like you said you would that time, babe please my,
Yeah,
Then you came in,
Then you stole away, aw-a-a-a-ay,
You stole away, aw-a-a-a-ay,
Then you came in,
Then you stole away, aw-a-a-a-ay,
You stole away, aw-a-a-a-ay,
You stole away, baby,
You stole away, away, away
I miss you, those words,
And I don't know what I'm saying.
