

# The Kooks, Sway

Say whatever you have to say  
I'll stand by you  
And do whatever you have to do  
To get it out and not become  
A reactionary to hurt  
The ones you love  
I know you never meant to but you did  
Oh yeah you did

Be whoever you have to be  
I won't judge you  
Sing whatever you have to sing  
To get it out and not become a recluse  
About your house, come out  
I know you never meant to but you did  
Oh but you did

Still I need your sway  
Cause you always pay for it  
And I need, I need your soul  
Cause you're always soulful  
And I, and I need your heart  
Cause you're always in the right places

And take whatever you have to take  
You know I love you  
And come however you have to come  
and get it out get it out  
Take it out on me  
Take it out on me  
I'd give it you all

Cause I need your sway  
Cause you always pay for it  
And I need, I need your soul  
Cause you're always soulful  
And I, and I need your heart  
Cause you're always in the right places

Oh yes you know  
I would give it you all

Still I need your sway  
Cause you always pay for it  
And I need, I need your soul  
Cause you're always soulful  
And I, and I need that heart  
Cause you're always in the right places
