

The Kovenant, Spaceman

Pungent smells they consummate my home
Beyond the black horizon
Trying to take control
See my girl she shivers in her bones
The sun and zenith rising
Trying to take us all
There's a fire between us
So where is your God
There's a fire between us
I can't get off the carousel
I can't get off the carousel
I can't get off the carousel
I can't get off this world
The sickening taste
Homophobic jokes
Images of fascist votes
Beam me up 'cause I can't breathe
Spaceman I've always wanted you to go
Into space, man
I can't get up, I can't get up
I can't get up, I can't get up
I can't get up, I can't get up
I can't get up, I can't get up
It's time to terminate
the great wide world
Morbid fascinations
television takes control
Decimation different races fall
Electronic information
tampers with your soul
There's a fire between us
So where is your God?
There's a fire between us
I can't get off the caruousel
I can't get off the carousel
I can't get off the carousel
I can't fall off this world
The sickening taste
Homophobic jokes
Images of fascist votes
Beam me up 'cause I can't breathe
Spaceman I always wanted you to go
Into space man
Spaceman I always wanted you to go
Into space man
