

# The Last Goodnight, Poison Kiss

Your eyes don't lie  
They give you away  
You say, you say  
Everything is different today  
Your footsteps fall, all over the place  
You're up, you're down  
A butterfly caught in the cage

I don't know why I needed you more  
I don't know how, you got through the door  
I don't know where you were  
But back and forth, back and forth

This is the last goodbye I'm ever gonna say  
This is the last goodnight I'm ever gonna waste  
This kiss is poisonous  
If you can't control the way, it enters your soul

One love, one life, one love is better than you tonight

Sunday driver, you never get far  
You call, you call, everyone is juggling hearts  
You think that you never make a mistake  
You say, you say, everyone else is to blame

I don't know why I needed you more  
I don't know how, you got through the door  
I don't know where you were  
But back and forth, back and forth

This is the last goodbye I'm ever gonna say  
This is the last goodnight I'm ever gonna waste  
This kiss is poisonous  
If you can't control the way, it enters your soul

The devil inside I see your eyes changing,  
Green to white  
There is nowhere to hide, inside I feel the same,  
I feel the same way too

Your eyes don't lie  
They give you away  
You say, you say  
Everything is different today

This is the last goodbye I'm ever gonna say  
This is the last goodnight I'm ever gonna waste  
This kiss is poisonous  
If you can't control the way, it enters your soul

This is the last goodbye I'm ever gonna say  
This is the last goodnight I'm ever gonna waste  
This kiss is poisonous  
(One love)  
If you can, control the way, it enters your soul  
(One love)

One love, one life  
(Enters your soul)  
One love is better than you tonight  
(Enters your soul)  
One love, one life  
(Enters your soul)  
One love is better than you tonight

(Enters your soul
