

The Last Shadow Puppets, Wondrous Place

I found a place full of charm
A magic world in my babys arms
The soft embrace like satin lace
A wondrous place
Want a spot in a star
To cuddle up and stay nice and warm
Away from harm in my babys arms
A wondrous place
Man man
No one
When I'm anywhere else
But I don't care
Every things right when she holds me tight
Her tender hands on my face
I'm in heaven in her brace
I wanna stay and never go away
A wondrous place
Man man
No one
When I'm anywhere else
But I don't care
Every things right when she holds me tight
Her tender hands on my face
I'm in heaven in her brace
I wanna stay and never go away
A wondrous place
A wondrous place
A wondrous place
