

# The Left Rights, Parkinlot

Hey, one night, with my cousin Rich, I threw a paratrooper off the roof, and that motherfucker landed  
Right in the middle of the parking lot,  
Right in the middle of the parking lot,  
Right in the middle of the parking lot,  
Na na na na na.

Motherfucker.

Right in the middle of the parking lot,  
Right in the middle of the parking lot,  
Right in the middle of the parking lot,  
Yes right in the middle of the parking lot.  
Right in the middle of the parking lot,  
Right in the middle of the parking lot,  
Right in the middle of the parking lot,  
Na na na na na... Na!
