

The Left Rights, Weirdo

Discrimination

Across the nation about friends

I might be a puppy dog

I might be a glitter frog

I might be a big giant hog

I'm not a weirdo

No I'm not a weirdo

No I'm not a weirdo

I might have a giant head

I might want to fuck the dead

I might be a girl instead

But I'm not a weirdo

No I'm not a weirdo

No I'm not a weirdo

Woo woo

Woo woo woo

Woo woo

Woo woo woo

You - Oh my! Look at you

What's the matter with who you are?

You're pretty weird for a guy who has

All the white chess pieces in his hand

I might like to pee in the park

I might be a guy named Marc (who's a weirdo)

I might like a dagger who's dark

But I'm not a weirdo

No I'm not a weirdo

No I'm not a weirdo
