

# The Lemonheads, Fed Up

I asked you what you wanted  
You never give me your answer  
You may be a lover but you ain't no dancer  
The gleem in your eye has dove frozen stone cold  
Gotta leave your side before it gets too old  
Time out, times up  
I really gotta go  
Gotta find a way to let you know that  
I'm fed up with you, don't know what to do  
wish you felt it too  
I'm fed up with you  
sit around and watch TV all day  
stare at me and ask me what to say  
fuck off  
don't just maybe go away  
I've said it before  
think I'll say it again  
louder today  
I'm fed up with you
