

# The Long Blondes, Century

Catch me when I'm fallin'  
Catch me when I'm fallin'  
Catch me when I'm fallin'  
Century Century Century Century  
Everything I touch  
Everything I touch  
Everything I touch  
Lightening trials of human love  
Everything I touch  
Everything I touch  
Everything I touch  
Lightening trials of human love  
Once futuristic change  
Now nostalgic knock-down  
Traffic stops abandoned  
Out of sync, out of fashion  
Empty streets bely  
Under ground a discerned you  
Architecturally sheik  
So then we can meet you  
Everything I touch  
Everything I touch  
Everything I touch  
Lightening trials of human love  
Everything I touch  
Everything I touch  
Everything I touch  
Lightening trials of human love  
Shop lines in glass  
A new world war  
Untimeless beauty  
All the rage, all the rage  
Promises broken  
Television erased  
Nothing is sacred  
Can-can dance to the golden age  
White, Black  
Gray, Light  
Space, Crowd  
White, Black  
Gray, Light  
Space, Crowd  
White Black  
Blocks, Borders  
Space, Crowd  
Century, century  
Century, century  
Century, century  
Century, century
