The Lox, If You Think I'm Jiggy

(Chorus)

If you really dig me, and you think I'm jiggy Come on shorty let me know We can get together, we can do whatever But you cant get no dough

(Verse 1)

Yo, since the Mona video you been trackin' me down tryin' to figure out how I lookin'perso-nal, Baby forget looks tell me can you roll with crooks the three hot niggas rising in the Billboard books, nigga we look at things through the big lens, big picture big Benz we try and make CEO ends, the thick chicks love us, big dick style niggas Cristal niggas, ya'll finesse this guick style niggas you didn't love me when my name was Sean Now you should see how bitches act when the Benjamins come on but I ain't hatin' em, you gotta love the ways females play Quickly use a neglige to getta get-away Five stars where the willies stay, and Sheek pay for nothing but thats what ya'll herbs get for frontin' I spend wild chips gettin' drunk up in the China Club, while you up in Skate Key wit a minor

(Verse 2)

I know she wit it, I betta brick I could hit it Black tie affair I gotta fresh pair of British Ice Berg shirts with Ice along with it turquoise, 9-11 Porsche and it's tinted but honey got alot of jazz, You gotta philly You gotta bag, then she went inside the Prada bag Blew two and she said it was choice, like my voice my thug style made her cat moist that's the realest shit I heard, that's my word Regardless who she fucked, I'm the nigga she deserves I put her on the hole in Jerz, rockin' furs different ways to speak without using words And even though she proper I still gotta drop her Cuz Sheek dont like her, had a dream that he shot her I cant buy you ascotta, you get nada I'm the bounce with a chick that look a little bit hotter

(Chorus)

They was never mine for me to dump em its just like checkers, after they make a move then I jump em It's like this girlfriend I'm a keep it real, every nigga with a deal ain't able to peel I'm a Bad Boy so I'm caked up with whips And guess what, I got more nuts than chips And they gon' melt right in your mouth not in your hand, You know that you aint my girl I'm not your man But do you still wanna lick me? or is cause I'm a six figgy niggy, and I know Biggie and I dont mess with no fat ladies but if you pay like you weigh then you can stay baby PJ slide to tha mo like that with this honey named trout cuz she blow like that and when we finish dont look at me like I owe nothin' cuz if you really dig then let me know something

(Chorus 2X)
