

The Lumineers, Ophelia

When I was younger, should have known better
I can't feel no remorse, and you don't feel nothing back

And I got a new girlfriend, he feels like he's on top
I don't feel no remorse, and you can't see past my blinders

O-Ophelia, you've been on my mind girl since the flood
O-Ophelia, heaven help a fool who falls in love

And I got a little paycheck, you got big plans and you gotta move
And I don't feel nothing at all
And you can't feel nothing small

"Honey I love you" - that's all she wrote

O-Ophelia, you've been on my mind girl like a drug
O-Ophelia, heaven help a fool who falls in love

O-Ophelia, you've been on my mind girl since the flood
O-Ophelia, heaven help a fool who falls in love

O-O-Ophelia, you've been on my mind girl like a drug
O-O-Ophelia, heaven help a fool who falls in love
