

# The Magnetic Fields, Asleep And Dreaming

I've seen you laugh at nothing at all  
I've seen you sadly weeping  
The sweetest thing I ever saw  
Was you asleep and dreaming

Well you may not be beautiful  
But it's not for me to judge  
I don't know if you're beautiful  
Because I love you too much

I've seen you laugh at nothing at all  
I've seen you sadly weeping  
The sweetest thing I ever saw  
Was you asleep and dreaming

I've seen you when your ship came in  
And when your train was leaving  
The sweetest thing I ever saw  
Was you asleep and dreaming
