

The Magnetic Fields, I'm Tongue-Tied

I'm tongue tied and useless
I'm weak-kneed and brainless
and then
I mumble some jumble
you kiss me
I'm history
I'm tongue-tied and useless again

my heart pounds
I make sounds
my ears hum

my head pops
the shoe drops
I'm struck dumb

I'm tongue-tied and useless
I'm weak-kneed and brainless
and then
I mumble some jumble
you kiss me
I'm history
I'm tongue-tied
and useless again

you say things
the room swings
I feel faint

I've no doubt
I'll black out
grand, love aint

I don't die
I say "hi"
how clever

I turn blue
I love you
forever

I'm tongue-tied and useless
I'm weak-kneed and brainless
and then
I mumble some jumble
you kiss me
I'm history
I'm tongue-tied
and useless again
I'm tongue-tied
and useless again
