

The Magnetic Fields, Love Is Like Jazz

(The only requirement, when playing this song, is that you wear sunglasses)

Love is like jazz
You make it up as you go along
and you act as
if you really knew the song
but you don't
and you never will
so you flaunt your mistakes
and you make them until
they were you
Love is like jazz
the same song a million times
in different ways
"Strange Fruit" with
and without wind chimes
It's divine
It's asinine
It's depressing
and it's almost entirely
window dressing
but it'll do
