

# The Magnetic Fields, Please Stop Dancing

Please stop dancing in my head  
I have cried till I'm half dead  
Please stop dancing in my head

Please stop dancing in my mind  
I have cried till I'm half blind  
Please stop dancing in my mind

Please stop dancing in my heart  
I can't seem to make it art  
Please stop dancing in my heart

Please stop dancing in my soul  
I can't make it rock and roll  
Please stop dancing in my soul

Please stop dancing in my sleep  
I can't make it twang and beep  
Please stop dancing in my sleep

Please stop dancing in my eyes  
I can't make it pretty lies  
Please stop dancing in my eyes

Please stop dancing in my blood  
Ill blind blowing no one good  
Please stop dancing in my blood

Please stop dancing in my life  
I will never be your wife  
Please stop dancing in my life
