The Magnetic Fields, Save A Secret For The Mod

i know all the names of your tears and numbers of these lonely years i know all the someones somedays don't believe them anyway

when you love someone you can't always tell the sun it will be twilight soon save a secret moon in a darkened room write it on a black balloon then watch it fade from view save a secret for the moon

i can show you sadder poetry than you ever dreamed there could be i know all the saddest people most of them are dead now

when you love someone you can't always tell the sun it will be twilight soon save a secret moon in a darkened room write it on a black balloon then watch it fade from view save a secret for the moon
