

The Magnetic Fields, You're My Only Home

I will stay if you let me stay
and I'll go if you let go,
but I won't go far away
because you're my only home.

And I will hide what you want hidden
and I'll roam if you say roam,
but I'd just as soon you didn't
because you're my only home.

When you cancel dinner plans;
when you cross the street and you don't take my hand;
when you make impossible demands I wish I didn't understand,

I will stay if you let me stay
and I'll go if you let go,
but I won't go far away
because you're my only home.

I will hide what you want hidden
and I'll roam if you say roam,
but I'd just as soon you didn't
because you're my only home.
