

The Magnetic North, Hey Yeah

She turns to me from the middle of the street
She says it's been so long, we've never felt so good
She says I wanna go to Chicago
Cause I've never seen the inside of the city
And I said hey why don't you give it some thought
You know Chicago's a long way from Seattle
And she says I wanna grow up
And go to Europe
And find something else to do with my life
Hey yeah yeah yeah, hey yeah yeah yeah
Hey yeah yeah yeah, hey yeah yeah yeah
She turns on me like her worst enemy
And says this whole town aint got nothing i havn't seen
She says I wast all my money on cigarettes and gasoline
Lets you and me move to the city
And I said hey why don't you give it some thought
You know you don't wanna leave Seattle
And she says I wanna grow up
and go to Europe
And find something else to do with my life
Hey yeah yeah yeah, hey yeah yeah yeah
Hey yeah yeah yeah, hey yeah yeah yeah
She's so good for me, cause she's so good to me
She's so good for me, cause she's so good to me
She turns to me for someone to believe
And says all my life aint what it use to be
I got a one way ticket for a plane to Miami
Cause I'm just not me without the city
And I said hey why don't you give it some thought
You know you don't wanna leave Seattle
And she says I wanna grow up
and go to Europe
And find something else to do with my life
I can't seem to live in the countryside
Hey yeah yeah yeah, hey yeah yeah yeah
Hey yeah yeah yeah, hey yeah yeah yeah
(repeat untill the end)
