

The Magnetic North, Rackwick

I need somebody, someone to hold me
Just like I want to,
Jst like you used to

I need somebody to hold my hand
Just like you used to,
Just like you once did

What do you dream at night when the lights are out?
How do you feel in your heart when___?
What do you see through your big green eyes
I wonder if you dream at all

I need somebody that knows what I feel
Who sees what I see, to be what will be
Feel my sickness, it's all I can feel,
It's all I can see, it's all I can be

What do you dream at night when the lights are out?
How do you feel in your heart when___?
What do you see through your big green eyes
I wonder if you dream at all

This is sickness /4x
