

The Maine, I must be dreaming

She thinks I'm crazy.
Judging by the faces that she's making.
And I think she's pretty.
But pretty's just part of the things she does that amaze me.
And she calls me sweetheart.
I love it when she wakes me when it's still dark.
And she watches the sun.
But she's the only one I have my eyes on.
Tell me that you love me.
And it'll be alright.
Are you thinking of me?
Just come with me tonight.
You know I need you.
Just like you need me.
Can't stop, Won't stop.
I must be dreaming.
Can't stop, Won't stop.
I must be dreaming.
She moves in closer.
Whispering to me "I thought I told ya"
And oh she's playing games now.
And I figured it out now that we're
Now that we're closer.
Two kids, one love.
Who cares if we making it up.
Her voice is sweet sound.
Our clothes lay on the ground.
She moves in closer.
Whispers "I thought I told ya"
Tell me that you love me.
And it'll be alright.
Are you thinking of me?
Just come with me tonight.
You know I need you.
Just like you need me.
Can't stop, Won't stop.
I must be dreaming.
Can't stop, Won't stop.
I must be dreaming.
Remember the day when we started this.
And she made the shape of my heart with her hands.
We try to make some sense of it.
But she called me on the phone and said..
Tell me that you love me.
And it'll be alright.
Are you thinking of me?
Just come with me tonight.
You know I need you.
Just like you need me.
Can't stop, Won't stop.
I must be dreaming.
Go one and tell em that you love me
And it'll be alright. (I must be dreaming)
Are you thinking of me.
Just come with me tonight.(I must be dreaming)
She moves in closer.
Can't stop, Won't stop.
I must be dreaming.
