

The Maine, Into your arms

There was a new grl in town
She had it all figured out (had it all figured out)
Well I'll state something rash
She had the most amazing... smile.
I bet you didn't expect that
She made me change my ways (she made me change my ways)
With eyes like a sunset, baby
And legs that went on for days
I'm falling in love
But it's falling apart
I need to find my way back to the start
When we were in love
Things were better than they are
Let me back into...
Into your arms.
Into your arms.
She made her way to the bar
I tried to talk to her
But she seemed so far (she seemed so far)
Out of my league
I had to find a way to get her next to me
I'm falling in love
But it's falling apart
I need to find my way back to the start
When we were in love
Things were better than they are
Let me back into...
Into your arms.
Into your arms.
Oh she's slipping away
I always cringe when I'm thinking of words to say
Oh the things she does
Make it seem like love
If it's just a game (just a game)
Then I like the way we play
I'm falling in love
But it's falling apart.
I need to find my way back to the start (x2)
When we were in love
Things were better than they are
Let me back into...
Into your arms
Into your arms.
Into your arms.
Into your arms
