

# The Maine, We Change We Wait

We Change, We Wait.

I am on my own,

But it's nice to see you came alone.

And this might sound wrong,

But I can only tell you through a song.

And I will take my time,

Cause it's the only thing that's on my side.

And this can't be real,

Tell me do you ever feel?

I've been changing,

You're still waiting on me.

I'll never let go.

You said I'll never grow up.

Two years now since I met you,

And I just can't forget about you.

You don't know what you do to me,

Oh you don't know what you're doing to me.

And baby I'm not lost,

I'm just a little confused on what to do.

And it's all on me,

Oh it's not you why can't you see?

I've been changing,

You're still waiting on me.

I'll never let go.

You said I'll never grow up.

Who are you now?

Who are you now?

This shit is so played out
