

The Mamas & The Papas, Even If I Could

Now I know just how you feel, it was real
When I broke your heart
Now I know just why you cried when I lied
And I broke your heart
Now I know just how you feel
(Now I know just how you feel)
And I know that it was real
(And I know that it was real)
Now I know just why you cried
When I lied (I lied), I lied, I lied

But I want it understood
When it was, it was very good
And I would not trade away, not a day, even if I could
Now I know just how you feel
(Now I know just how you feel)
And I know that it was real
(Now I know that it was real)
And now you know just why I cried
When she lied (She lied), she lied, she lied
But I want it understood
When it was, it was good
And I would not trade a day, not a day
No not an hour of the day
Though she's left and gone away
Even if I could, even if I could
