## The Manhattan Transfer, A Kiss To Build A Drear

Give me a kiss to build a dream on (and) my imagination will thrive upon that kiss Sweetheart, I ask no more than this A kiss to build a dream on.

Oh, give me a kiss before you leave me And my imagination will feed my hungry heart. Oh, leave me one thing before we part A kiss to build a dream on.

When I'm alone with my fancies I'll be with you Weaving romances making believe they're true.

Just give me your lips for just a moment And my imagination will make that moment live. Oh, give me what you alone can give A kiss to build a dream on.

(Vocal and instrumental break)

When I'm alone with my fancies I'll be with you Weaving romances making believe they're true.

Oh, give me your lips for just a moment (And) my imagination will make that moment live. Darling, give me what you alone can give A kiss to build a dream on.
