

The Manhattan Transfer, Walkin' In N.Y.

You don't skip a beat when you're hittin the street
(Walkin in N.Y.)
There's a kind of heart you became a part of
(Walkin in N.Y.)
Doo doo doo doot ee ya-ee-yeh-oh
(Walkin in N.Y.)
Me 'n my friend just walkin' and talkin
(Walkin in N.Y.)

There are times that will always stay
Somewhere in my thoughts
One of them will always be
Walkin in N.Y.
All you need is one good friend
And some time to spare
Stoppin' for coffee in some cafe
Life without a care

You don't skip a beat when you're hittin the street
(Walkin in N.Y.)
There's a kind of heart you became a part of
(Walkin in N.Y.)
Doo doo doo doot ee ya-ee-yeh-oh
(Walkin in N.Y.)
Me 'n my friend just walkin' and talkin
(Walkin in N.Y.)
