## The Manhattan Transfer, Walkin' In N.Y.

You don't skip a beat when you're hittin the street (Walkin in N.Y.) There's a kind of heart you became a part of (Walkin in N.Y.) Doo doo doo doot ee ya-ee-yeh-oh (Walkin in N.Y.) Me 'n my friend just walkin' and talkin (Walkin in N.Y.)

There are times that will always stay Somewhere in my thoughts One of them will always be Walkin in N.Y. All you need is one good friend And some time to spare Stoppin' for coffee in some cafe Life without a care
