

The Mavericks, To Be With You

(Raul Malo, James House)

A shoulder to cry on
Someone to lean on
Someone to take you away

Someone to talk to
And somewhere to walk to
I need to remind you someday

Whenever you need me
I'll make the time
To be with you
To be with you

A night to remember
The rain in September
I want to share it with you

The month by the ocean
We swore our devotion
Would make all our wishes come true

Whenever you need me
I'll make the time
To be with you
To be with you

I want you to know
I've never before
Felt this way
No other words can say
I was lost just yesterday
Until I found you

Whenever you need me
I'll make the time
To be with you
To be with you

A night to remember
The rain in September
I want to share it with you
