

The Medic Droid, It's About Love

The color of your eyes run deep through me. I stand alone waiting for you. Down on your ways, down
The rain comes falling down it's pouring over you, and doubt the thing you felt. When she's sad when
Waiting for this night to end on you know and you know, and you know its over.

Girl I hate to see this. Maybe it's the wrong time to give up. The feelings gone. Maybe you were right
As you wait for me, you wait alone, cuz I just can't save you. Every time you wanted to give up, even
Sorry I know I got it wrong. Just testing for. Maybe you were right, but I can't do this, no so getting up
And I wait for this and I wait alone cuz no one here can save me. Everytime I wanted to give up, even
[save me save me save me..]

The color of your eyes run deep through me. I stand alone and wait for this. Down on your ways, down
