

# The Methadones, TV World

I get tired of thinking of what I don't want to be  
I need a career but the thought depresses me  
I see commercials for Devry and ITT  
But they just make me want to go back to sleep  
I just wanna be in my TV world  
Not doing anything in my TV world  
My girlfriend's disgusted with me  
I drink too much and never miss All In The Family  
I need to do something but I just don't know what  
I'm flipping through the channels and it's driving her nuts  
I haven't left the couch for a week  
I'm in such a trance that I can hardly speak  
I stay in tuned to this warm TV glow these transmitted images are all that I know
