

# The Mighty Mighty Bosstones, Ain't Talkin' 'Bout Love

(Original song by Van Halen)

Oh yeah I heard the news baby,  
all about your disease  
you may have all that you want to honey  
but I got somethin' you need Oh yeah,  
I ain't talkin' 'bout love  
My love is rotten to the core  
I Ain't talkin' 'bout love  
Just like I told you before,  
you know you're semi-good lookin',  
and on the streets again  
and you think you're really cookin' mama,  
you better find yourself a friend, a friend,  
'cause I ain't talkin' 'bout love  
My love is rotten to the core  
I Ain't talkin' 'bout love  
Just like I told you before jello  
And I Ain't talkin' 'bout love  
my love is rotten to the core  
I Ain't talkin' 'bout love  
Just like I told you before yeah before  
you know I've been to the edge,  
and I stood and looked down  
I lost a lot of friends there baby,  
I got no time to mess around  
so if you want it got to bleed for me baby  
you got to got to bleed for me baby  
got to got to got to bleed for me baby and  
I won't dance in a club like this  
'cause all the girls are sluts  
and the beer tastes just like piss  
Ain't talkin' 'bout love  
My love is rotten to the core  
I Ain't talkin' 'bout love  
Just like I told you before  
hey hey hey hey (4x)
