The Mighty Mighty Bosstones, I Know More

Somebody bring me back to the beginning A place as nice as any place to start That's where I must have misplaced my opinion I wasn't sure where I was headed I was following my heart

In the beginning I'm recalling Thinking I thought I knew it all And I think I thought I knew a lot Now I know I knew so little

So bring me back to where and when I was convinced I could go up against whatever came along Bring me back and I'll bring back what I've learned since Lately I'm convinced in the beginning I was wrong

In the beginning I'm recalling
Thinking I thought I knew it all
And I think I thought I knew a lot
Now I know I knew so little
As time progressed,
I've reassessed I know that now I know at best
It isn't all or nothing
It's somewhere I know in the middle

I know more - I know Now then I knew then I know I know, now I know I know Then I knew less Than I thought so

I know more - I know Now then I knew then I know I know now I know Then I knew less Than I thought so

In the beginning I'm recalling
Thinking I thought I knew it all
And I think I thought I knew a lot
Now I know I knew so little
As time progressed, I've reassessed
I know that now I know at best
It isn't all or nothing
It's somewhere I know in the middle
