

# The Mission, Father

Can't stand the light it hurts my eyes  
And it comes as no surprise  
To find  
A broken heart has no reprieve  
In all the things we leave  
Behind

I can remember can recall  
When once we had it all  
Before  
Can't stand up for falling down  
When you're not around  
No more

I won't forsake you  
Don't wanna break you  
Don't wanna make you  
Make you cry  
And time may heal  
The pain we feel  
But there's nothing real  
In this goodbye

It's easy to be kind to strangers  
Whilst we hurt the ones we love  
And all I've ever wanted is to be a father to the child
