

The Mission, Happy

Every day I spend with you
Is another perfect day
Every moment is God given
And when you smile at me and say
"Please honey don't you go away"
It breaks my heart but feels like heaven
I'm so enchanted by you
So wrapped up in everything you do and
I'm so happy
I'm so happy
I'm so happy when I'm with you
Girl I know you understand
The child that lies within a man
Baby you always see right through me
And when you put your hand in mine
And tell me I'm your valentine
Angel you know it means the world to me
I'm so enchanted by you
So tangled up in everything you do
And I'm so entranced by your kiss
I swear I'll never want more than this
Because I'm so happy
I'm so happy
I'm so happy when I'm with you
I'm so happy
I'm so happy
I'm so happy because I love you
Because I love you
I love you
I love you
I love you because you say you love me too
