

The Mission, Heaven Sends You

I'll kiss the sleep from your eyes
I'll kiss you when the sun goes down
I'll kiss you until sunrise
I'll kiss the skin from your lips
And I'll kiss you on your fingertips
And I'll kiss you on the back of your neck
And I'll kiss you behind your ears
And I'll kiss away your tears and fears
And I'll kiss away those hurting years
And I'll kiss away those cruel dark hours
And I'll kiss the petals on your flower
I'll kiss you, I'll kiss you
I'll kiss you until heaven sends you

I'll kiss you between your toes
I'll kiss you on the bottom of your feet
I'll run my tongue across your back
I'll kiss you behind your naked knees
I'll kiss your breast, I'll drink your milk
I'll run my tongue between your lips
I'll kiss you, kiss you, kiss you on your sex
And I'll take you, take you, take you in my mouth
And I'll kiss you, kiss you until heaven sends you
