

The Mitch Hansen Band, Lullaby

Being made of stone will make you strong
But I've been alone for oh so long
Then there you were a silent mind
And beauty that I thought I'd never find
Something Strange is happening
And I don't know what to do
I haven't felt my heart beat in over 90 years
I love the way you look at me
When you're thinking no one else can see
I feel like someone different when you're near
So sleep now and hold me tight
Everything will be alright
Just lay down and rest your weary eyes
Calm down, you're safe with me
I love you more than you can see
You need your rest and so I wrote you this
Lullaby
Could someone who has a soul
Have such a hard time staying in control
Eternity can wait a while
I'll miss the way you blush when you smile
