

The Moffatts, Girl I'm Gonna Get Ya

Girl

I've been watching you
Wondering what's your name and could I get ya

I'm hoping that you feel the same

Baby what's on your mind?

Darlin' don't you know it's the perfect time

You know I'm gonna make you mine

Girl I'm gonna get ya

You know I need you in my world

You know I'm gonna get ya

I'm begging you to be my girl

Even tough you might be scared

I promise I'll be there

Girl I'm gonna get ya

Tonight

Now, that we're all alone

I'm lookin' in your eyes

Can you see me?

Girl, this is no surprise

I think I'm falling in love

Darlin' don't you know it's the perfect time

You know I'm gonna make you mine

Girl I'm gonna get ya

You know I need you in my world

You know I'm gonna get ya

I'm begging you to be my girl

Even tough you might be scared

I promise I'll be there

Girl I'm gonna get ya

Tonight

Don't you know I need you every time I see you

Don't keep me waiting, with my love on the line

When you are away from me, you're the only one I see

Girl I just can't seem to get you off my mind

Girl I'm gonna get ya

You know I need you in my world

You know I'm gonna get ya

I'm begging you to be my girl

Even tough you might be scared

I promise I'll be there

Girl I'm gonna get ya

Tonight
