

The Moffatts, I Think I'm Falling In Love

I think I'm falling in love
With the girl next door
'cause I'm getting the kind of feeling
That I've never had before
It's running through my fingers
It's tickling my toes
My body's feeling all messed up
And my heart is yelling whoa

Dad, tell me, is this what it's like to fall in love?
Dad, tell me, is this what it's like to fall in love?

Each and every night
I see her in my dreams
She's the prettiest girl
That I've ever seen
I'd like to take her for a walk
And hold onto her hand
Watch the birds fly above
And make castles in the sand

Dad, tell me, is this what it's like to fall in love?
Dad, tell me, is this what it's like to fall in love?
