The Moffatts, Wonderful World

Don't know much about history, Don't know much biology. Don't know much about a science book, Don't know much about the french I took. But I do know that I love you, And I know that if you love me, too, What a wonderful world this would be.

Don't know much about geography, Don't know much trigonometry. Don't know much about algebra, Don't know what a slide rule is for. But I did know that one and one is two, And if this one could be with you, What a wonderful world this would be.

Now I don't claim to be an 'a' student, But I'm tryin' to be. For maybe be being an 'a' student, baby, I can win your love for me.
