

The Moldy Peaches, Who's Got The Crack

Theres no such thing
As a harmless joke
Theres no such thing
As a gentle toke
Theres no such thing
As panama jack
Whos got the crack
Whos got the crack
Whos got the crack
Whos got the crack
I am a goat
In a moat
With a boat
Whos got the crack
Whos got the crack
Whos got the crack
Whos got the crack
I like it when
My hair is poofy
I like it when
You slip me a roofy
I like it when
Youve got the crack
Whos got the crack
Whos got the crack
Whos got the crack
Whos got the crack
I wanna be a hippie
But I forgot how to love
Its hard to be a garbage man
When a sailor stole my glove
I wanna be reckless
But Im feeling so uptight
Put your mama in a headlock baby
And do it right
Whos got the crack
Whos got the crack
Whos got the crack
Whos got the crack
Whos got the crack
