

The Monkees, Circle Sky (Justus Version)

Circle sky
Telling lies
Raison d'etre
Idol threat

'Cause it looks like we've made it once again
Yes, it looks like we've made it once again

Colour sound
Run aground
Seagull sails
Holy grail

'Cause it looks like we've made it once again
Yes, it looks like we've made it once again

It's a very extraordinary scene
To those who don't understand
But what you have seen you must believe (believe)
If you can, if you can

Hamilton
Smiling down
NRG
Falling free

'Cause it looks like we've made it once again
Yes, it looks like we've made it once again

It's a very extraordinary scene
To those who don't understand
But what you have seen you must believe
If you can, if you can

Circle sky
Telling lies
Raison d'etre
Idol threat

'Cause it looks like we've made it once again
Yes, it looks like we've made it to the end
