

The Monkees, I'll Be True To You

I'll be true to you, yes I will
I'll be true to you, yes I will
I won't look twice when the other girls go by
I'll be true to you, yes I will

Somehow this time it's all so clear to me
The way to go is easy to see
My heart is sure you're the girl I'm waiting for
And I'll be true to you, yes I will
Yes I will!

I used to be the kind
Who said that every girl's the same
And love was just a game for having fun
But when I looked at you
I knew that I was wrong
And that I really could belong to only one

I'll be true to you, yes I will
Every dream that you have, I'll fulfill
I never promised this to anyone before
But I'll be true to you, yes I will

I'll be true to you, yes I will
Every dream that you have, I'll fulfill

I never promised this to anyone before
But I'll be true to you, yes I will
Yes I will, yes I will!
