

# The Monkees, Long Title: Do I Have To Do This A

Do I have to do this all over again?  
Didn't I do it right the first time?  
Do I have to do this all over again?  
How many times do I have to make this climb?  
Didn't I? Didn't I?

Can I see my way to know what's really real  
They say time can fix things by itself  
I know life's more than just some kind of deal  
Won't you tell me what all, when my soul comes off the shelf  
Didn't I, oh, didn't I?

Do I have to do this all over again?  
Didn't I do it right the first time?  
Do I have to do this all over again?  
How many times do I have to make this climb?  
Didn't I?...
