

# The Monkees, My Share Of The Sidewalk

If your the girl that i know this (the rest of this line is unclear),  
than your more than welcome to my share of the sidewalk.

If your the chick I saw in the tall grass looking at someone through tinted blue glass, than your more

Cause I've never been this close before, to someone who didn't seem to mind. I've never found hel

If your the girl I met in my daydreams, handing out flowers and chocolate ice cream, than your mor

If your the girl that I talked to and said do you mind if I love you, than your more than welcome to m

Cause I've never been this close before, to someone who didn't run and hide. I've never found hell

If your the girl I met in my daydreams, handing out flowers and chocolate ice cream, than your mor

If your the girl that I talked to and said do you mind if I love you, than your more than welcome to m
