

# The Monkees, Rosemarie

Rosemarie, what's your faith?  
Can't you see, straight  
Straight into Rosemarie  
Now why don't you quit?  
Why did he, why did he split?

Have you ever asked yourself  
Or didn't your eyes just pass yourself  
Oh Rosemarie, Rosemarie, Rosemarie, Rosemarie, think!

Rosemarie, gotta hold on  
Where has he, where has gone, gone, gone to  
Rosemarie, spin, spin your tongue  
Rosemarie, what's the key... stop!

All your friends and dreams are dead  
It's time for you to lose your head  
Oh Rosemarie, Rosemarie, Rosemarie, Rosemarie, think!

Rosemarie, you've gotta keep on holdin' on  
Listen to me Rosemarie, where has he, where has gone, gone, gone to

Da da da, da da da da da da, da da da...  
Da da da da da da da da da da da da da da da da da da...

All your friends and dreams are dead  
It's time for you to lose your head  
Oh Rosemarie, Rosemarie, Rosemarie, Rosemarie, think!

Rosemarie, Rosemarie, Rosemarie...  
Why don't cha, don't cha quit...  
You keep on, keep on hangin', hangin' on...  
But he's gone, but he's gone, but he's gone...  
You keep, you keep hangin' on...  
You've gotta, spin, spin, your top...  
You've gotta, you've gotta, spin, spin, your top...  
Tell me when...  
You've got to use, use your head, Rosemarie, THINK!
