

# The Monkees, She Hangs Out

"(Do the ronde ronde do the rond rond)"

How old d'you say your sister was? "(sister was, sister was)"

How old d'you say your sister was? "(sister was, sister was)"

You know you'd better keep an eye on her "(eye on her, eye on her)"

"(Do the ronde ronde do the rond rond)"

She hangs out

She hangs out

I know you taught your sister the boogaloo "(boogaloo, boogaloo)"

I heard you taught your sister the shigaling too "(shigaling too, shigaling too)"

Well, she can teach you a thing or two "(a thing or two, thing or two)"

"(Do the ronde ronde do the rond rond)"

She hangs out

She hangs out

Well she hangs out, hangs out

Oh every night, every night

You know you best get down here on the double

Before she gets her pretty little self in trouble

She's so fine, so fine

I say, how old d'you say your sister was? "(sister was, sister was)"

How old d'you say your sister was? "(sister was, sister was)"

You know you'd better keep an eye on her "(eye on her, eye on her)"

Ow, "(Do the ronde ronde do the rond rond)"

She hangs out

She hangs out

She hangs out

She hangs out

She hangs out

She hangs out

She hangs out

She hangs out

She hangs out
