

The Moody Blues, Candle Of Life

Something you can't hide
Says you're lonely
Hidden deep inside
Of you only
It's there for you to see
Take a look and be
Burn slowly the candle of life

Something there outside
Says we're only
In the hands of time
Falling slowly
It's there for us to know
With love that we can go
Burn slowly the candle of life

So love everybody
And make them your friends
So love everybody
And make them your friends

Something you can't hide
Says you're lonely
Hidden deep inside
Of you only
It's there for you to see
Take a look and be
Burn slowly the candle of life

Something there outside
Says we're only
In the hands of time
Falling slowly
It's there for us to know
With love that we can go
Burn slowly the candle of life
